TO: All Key Personnel on Special Investigation

RE: Outstanding Leads

Attached is a listing of some open leads that we have had for sometime. Details about specific assignments will be handled upon Mr. Garrison's return. These are being handed out in the meantime in case you should want to move on any of these leads immediately.

NOTE: In compiling this listing some duplications have occurred. These have been purposefully left in at this time in order to be sure that all available details have been included for your information. (See especially Nos. 20, 39, 65 and 67)
